

ISSUES AND PROGRAMS LIST

WPDE

FLORENCE, SOUTH CAROLINA

APRIL 1 – JUNE 30, 2009

LIST OF ISSUES

- 1. ECONOMY/PERSONAL FINANCE** LAY-OFFS ARE CONTINUING AT LOCAL PLANTS. ASSISTANCE PROGRAMS NOT SUFFICIENT TO COVER NEEDS.
- 2. HEALTH CARE/COST** SOUTH CAROLINA HAS ONE OF THE HIGHEST RATES OF HEART DISEASE IN THE NATION. DEATH RATE IS HIGH FOR NEW BORN'S DUE TO POOR HEALTH PRACTICES AND COST. ELDERLY HEALTH CARE IS INADEQUATE DUE TO FIXED INCOME AND HIGH COST OF MEDICINE AND TREATMENT.
- 3. CRIME** HIGH CRIME RATE DUE IN PART TO THE ECONOMY. ALSO ATTRIBUTED TO LACK OF EDUCATION. GUNS AND DRUGS ARE EXTREMELY EASY TO GET.
- 4. DRUG USE/PREVENTION** HIGHEST RATE OF DRUG USE IN THE STATE. I-95 IS CONSIDERED THE "PIPELINE" FROM FLORIDA TO NEW YORK AND DRUGS FLOW FREELY INTO THE AREA.
- 5. EDUCATION** AREA HAS EXTREMELY HIGH RATE OF DROP-OUTS. LACK OF INTEREST IN FURTHERING EDUCATION. LACK OF FINANCIAL ASSISTANCE IS A DIRECT CAUSE OF LACK OF EDUCATION.
- 6. ENVIRONMENT** DUE TO PROXIMITY TO NUCLEAR PLANT, AND SEVERAL OTHER PLANTS THAT DUMP WASTE, WE ARE MORE AWARE OF ENVIRONMENTAL NEEDS OF OUR AREA.
- 7. PREJUDICE/INTOLERANCE** THIS IS BECOMING MORE OF A PROBLEM AS MINORITIES LOSE JOBS DUE TO LACK OF TRAINING AND EDUCATION. THEY FEEL THEY ARE NOT FAIRLY TREATED BY OUR LOCAL LEADERS.

Dear Mr. Huggins,

Billy and our WPDE friends,

Thank you again for your valuable contribution to **Limos For Learning™**. With your support over 16,000 second, third & fourth-graders benefited from our motivational reading incentive program this year. This *simply* would not have been possible without your generosity and partnership!

While we can never thank you enough, perhaps the heartfelt thanks from participating principals, teachers, parents and the children say it best:

"Thank you so much for letting us go to Limos For Learning. I had so much fun. It inspired me to read more than just my twenty minutes of reading after school. I've finished two chapter books since then. Thank you so much for sponsoring us. I had a great time." - Student

"Thank you so much for providing the Limos For Learning experience for our children. In my thirty five years of teaching, I have not found a program that captures the heartbeat of children the way this one does." - Literacy Coach

"It was summed up when one of my girls looked at me and said, "Ms. McDonald, I never imagined this!" - Teacher

Dear Mr. Huggins:

We wish to take this opportunity to thank NewsChannel 15 and WPDE TV for supporting the 3rd Annual Hard Rock Cafe Charity Golf Outing to benefit the V Foundation for Cancer Research. It was another successful event thanks to the continued support of friends and neighbors such as you.

We are pleased to announce that the event raised over \$12,000.00 for the V Foundation through this single event, and we will continue our commitment to the charity by raising funds throughout the year through our donated fountain-change, live music ticket sales and other miscellaneous fund raising efforts.

Once again, on behalf of Hard Rock Cafe and the V Foundation for Cancer Research, we thank you for your support.

Best Regards,

Dear Darren Stack,

Thank you for taking your time to come to our school and tell us about your job. I really enjoyed it. I didn't even know that a lightning bolt was hotter than the sun. I thought that was interesting. I would be tired if I had to wake up when you do to go to work. I learned a lot when you came and maybe one day I can be a meteorologist.

Sincerely,

Haitlyn Justice

Dear Darren Stack,

Your Presentation was

Amazing. I loved how you made it really fun and exciting. All the Pictures you put on your Power Point looked really cool. The part I loved the most was probably the part where you told us about the Green Screen. How you could put the map on it and other stuff on it. I thought that was pretty cool. I really think you should come again, and tell us about more stuff you learned or just stuff you could not explain last time you were here.

Your friend,
Chelsea

Dear Mr. Stack,

I am from Forestbrook Middle School and you came a while back. Is being a meteorologist hard work. Anyways I would like to thank you for your awesome presentation. You were very nice to our first 6th grade group. That presentation opened a new possibility for job I like to watch you in the morning. I was glad when you came because I have trouble with weather but now I really understand it now. Thank you for spending your time to come out to Forestbrook Middle School, and show what you do best. Please write me back.

Thank you,

Dear Mr. Strach

I really appreciated you coming here. I appreciated it because I know you really had to take your time to think of what to say and do. I learned that when you are a meteorologist you're not always right, but that's ok. As long as you're right most of the time. And you have a really busy schedule. I really enjoyed your power point. And your stories you told. I took some interest in what you are. And think you have a really important job. And have to study and work a lot. And it's not always fun and interesting but that you love your job. And that IS All That Matters.

Sincerely,
Julissa Calderon.

Dear Mr. Parker

Thank you so much for coming to our school to talk about how to succeed in life. You really made a difference in the way I see school and my attitude. I learned that in order to succeed you can't be afraid of failure. Everyone fails at something at one point in their life. You just have to get up and try again. You really helped me understand that education is very important if you want to have success in life. I really enjoyed you coming and I hope you come back really soon. Thank you again.

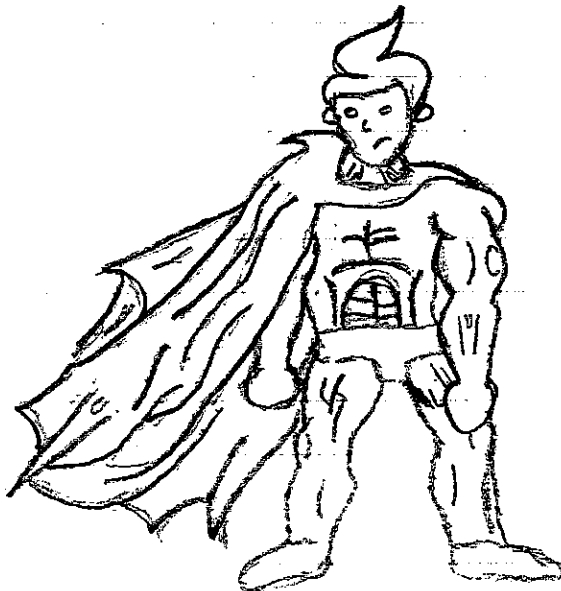

Sincerely,
Walker Harwell

Isaiah Bumley
Dear, Mr. Parker

Thank you for coming to speak to me and my classmates.
You actually made me realize what being successful will do
for me. Last night I didn't go to bed at 1:00
I went at 9:30. And I felt more recommended to
coming to school. Before I thought coming to school was
a punishment. But now I think it's a privilege.
Once again I thank you for your time.

From: Isaiah Bumley
To: Mr. Parker

P.S. you inspire me to try harder.
YOUR MY HERO.

Dear Mr. Erin Parker,

Thankyou for giving us your time today to talk to us.

I like how you explained to us that we are in charge of how seriously we take our education. Cause if we choose to not take our education seriously like you said then that will become harder. If we do take it seriously I understand that it will still be hard now. So Thankyou for sharing that with me and everyone else that came to see you speak.

Another thing that I liked when I was in the lecture hall, was when you told us about your son and his spanish class. I think what you said about learning spanish from someone who can tutor you, and then you give them tutoring in return could be helpful to some.

Once again mr. Parker thank you for sharing your time.

From,
Stephanie

Re: Light of Hope Event
April 9, 2009

Dear Mr. Huggins,

Thanks to you and your staff for the fine coverage of our Fourth Annual Light of Hope Event at the Myrtle Beach Convention Center. This public awareness event commemorates National Child Abuse Prevention Month and gives us the opportunity to highlight the special needs of abused and neglected children in Horry County and hear from those who work so tirelessly to ameliorate this social problem.

DSS Interim Director Gerald Fogle was the excellent keynote speaker and Horry County Shelter Homes Director Ed Jones was the special recipient of the Second Annual Light of Hope Honoree for his fine advocacy work on behalf of children placed in sheltered care.

Again, thank you for the fine coverage. May God continue to bless and protect us all, especially the little ones whose night mares are real!

Sincerely,

Cheryl Fitz, President
